I just don't know. My life is so confusing right now. If I ever come back, we can start my RP up again but...I really don't know. I wish more than anything that my life could be different. Thank you all so much for all the support. I'm so greatful. It's just that I'm really busy and...I don't know what if I want to keep living like this.

but
@Fallon: Thank you so much for listening to me and staying up really late just to talk. I love you so much and I'll always remember you

@Wizard: Same goes for you dude. Thanks for joining my RP and always being so positive

@Zane: I know we kind of just became friends but you encouraged me so much.

@Fantasy: I had a really great time talking to you.

@Tiger and Shadow: Both of you thanks for the advice. It really helped me.

@my forum family: it would mean so much to me if you could keep me in it.

I'm sorry. If anything happens to me maybe Nacho can tell you. I might come back. I'm just so confused right now.

Please mods.

Pluto that felt like you slashed a knife through my heart when I read that. I know you told me you wanted to be alone and I won't come upstairs but please. This is your only source of happiness.

By shadow, again!? My job just gets harder and harder... Why do people do this to each other? A community... No, a family needs all of its members to function... If you leave things will fall apart.

Oof, Pluto we'll miss you. Thanks for the chat we were having. Just know that if you ever want to come back and visit I'll welcome you back with open arms. I know we didn't get to talk much, but I'll still always consider us friends. I hope things for you get better irl, and that You're able to discover who you are. Remember don't let the things that other people may say bring you down, just remember you're awesmome,okay?
